Questions?

Work Incentives and the Ticket Program

Work Incentives

Social Security Work Incentives make it easier for people with disabilities to work and still receive medical benefits and, in some cases, cash payments from Social Security.

Work Incentives are special Social Security rules and programs that allow you to:

- Receive **training** for new skills
- Improve the **skills** you already have
- Pursue your **education**
- Try **different jobs**
- Start a **career**
- Gain **confidence**

choosework.ssa.gov/about/work-incentives

Work Incentives and Programs to Help You Keep Medicare and Medicaid

Medicaid

- Medicaid While Working or 1619(b)
- Medicaid Buy-in Program

Medicare

- Extended Period of Medicare Coverage
- Medicare for People with Disabilities Who Work

Medicaid While Working or 1619(b)

If you receive SSI, you may qualify for continued Medicaid coverage when your benefit payment stops if you:

1. Have been **eligible for SSI** for at least 1 month
2. Continue to meet **Social Security's definition** of disability
3. Still meet all other non-disability **SSI requirements**
4. Need Medicaid benefits to **continue to work**
5. Have gross earnings that are **below your state's threshold of eligibility** (see updated state thresholds amounts at: <https://www.ssa.gov/disabilityresearch/wi/1619b.htm>)

Medicaid Buy-in Programs

Many states allow you to purchase Medicaid under a **Buy-in Program**. You may qualify if you meet the definition of “**disabled**” under the Social Security Act.

Also, each program is different, but most require that you are working at least a little and may allow you to have significant earnings from work or self-employment and higher savings than regular Medicaid.

Under certain circumstances, people who receive SSDI benefits may be eligible for Medicaid Buy-in Programs.

You should check with your local Medicaid agency to find out what is available in your state.

Extended Period of Medicare Coverage

Most SSDI beneficiaries with disabilities whose benefits cease due to work will continue to receive, after their Trial Work Period, at least 93 consecutive months of:

- Hospital Insurance (Part A)
- Supplemental Medical Insurance (Part B), if enrolled
- Prescription Drug Coverage (Part D), if enrolled

To qualify:

- You must **already have Medicare** and be working at **Substantial Gainful Activity**
- You **cannot** be medically improved

Medicare for People with Disabilities Who Work

(Slide 1 of 2)

After premium-free Medicare coverage ends due to work, you can buy continued Medicare coverage, as long as you remain medically disabled.

You are eligible to buy Medicare coverage if:

- You are not yet age 65; and
- You continue to have a disabling impairment; and
- Your Medicare stopped due to work

Medicare for People with Disabilities Who Work

(Slide 2 of 2)

- For more information on enrollment periods or to make an appointment to enroll, please call the **Social Security** office at 1-800-772-1213 or 1-800-325-0778 (TTY) to find your local office
- For help with paying the premiums, please call **Medicare** at 1-800-MEDICARE or 1-877-486-2048 (TTY)
